YEAR OF RESURRECTION & MULTIPLICATION

FROM THE DEPTH OF

My heart...

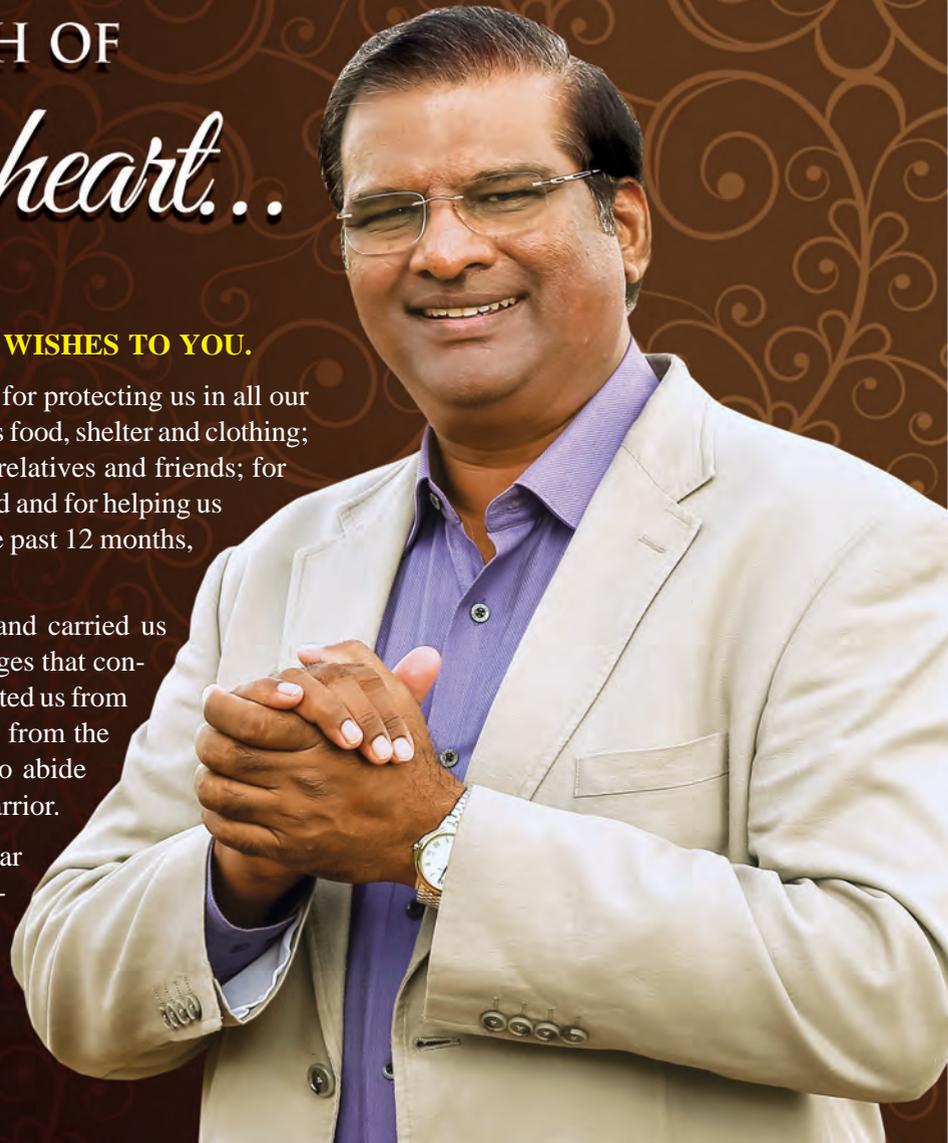

Beloved friend in Christ,

MY HEARTFELT NEW YEAR WISHES TO YOU.

Let us praise God with all our hearts for protecting us in all our going out and coming in; for providing us food, shelter and clothing; for making us a blessing to our family, relatives and friends; for getting us involved in the ministry of God and for helping us to cheerfully support the ministry for the past 12 months, by His grace.

God was with us, strengthened us and carried us safely through all the crises and challenges that confronted us in the previous year. He protected us from the darts of the evil one; He covered us from the face of the enemy and He continues to abide with us like a mighty and courageous warrior.

The Lord has promised that the year 2017 is going to be a Year of Resurrection & Multiplication. Therefore, new blessings will follow you in the New Year.

All the good things that were being stopped from coming your way will be showered upon you. God will fulfil with His powerful hands all the promises that you are praying for a long time .

"Behold, I will do a new thing, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness And rivers in the desert." (Isaiah 43:19)

According to this verse, God will bring you complete blessings in miraculous ways. Things on which you have given-up saying, "This will never happen to me. I will never get this. This will never give fruit," God in His power and love will make it happen; Yes! it will happen to you. You will be abundantly blessed in your individual life, family life, business, career, profession and ministry. The Lord will bless you and also make you a blessing to many others.

Expanding Boundaries

The almighty Lord has expanded the boundaries of our ministry in the year 2016 and has graciously helped us to take blessings and miracles to millions of people through it's services; to carry the love and compassion of God; to proclaim the gospel of salvation through Prayer Festivals, Prophetic Prayer Conferences, TV Programmes, Magazine, Correspondence, website and many other ways. He has also favoured us and opened the doors for us to open 17 New Prayer Towers through which we offer prayers to people personally and individual biblical counselling on the basis of the truths in the Word of God. We have published this as a separate edition so that you can get to know the details of the ministry and praise and worship God for the wonderful works of grace He has done through the ministry of which you

are a part.

I praise God for enabling and strengthening you to uphold the Jesus Calls Magazine for the whole year with your prayers and your precious offerings. I also thank you from my heart for placing so much of love upon the ministry of God and I believe that the Lord will continue to abundantly bless you and enable you to support the ministry in this New Year too!

Helping in Building Churches

"For God is not unjust to forget your work and labor of love which you have shown toward His name, in that you have ministered to the saints, and do minister."

(Hebrews 6:10)

We have been fulfilling many ministries in a meticulous way, using the offerings that come to the Jesus Calls Ministry, and paving ways for millions of people to be blessed. Besides this we are also helping other ministries by giving them suitable aid. Thus we are extending our support to other ministries especially to those servants of God who are establishing churches. We earmark a portion of the offering that comes to the Jesus Calls Ministries to meet a part of the needs of those who are involved in establishing churches in remote and unreached areas. All this is possible only by your help. Your offering are also being sent to meet the desperate needs of genuine ministries which establish churches and bring people together to worship God.
