

**“Go into all the world and preach the good news to all creation”**

(Mark 16:15)

### *Loving greetings to you*

*“...for he strengthens the bars of your gates and blesses your people within you. He grants peace to your borders and satisfies you with the finest of wheat”* (Ps.147:13,14).

According to the above Scripture verses in this month the Lord shall grant peace to your borders, bless your children and grant you satisfaction.

### *Preparing for the Second Coming of the Lord*

*“The Lord had said to Abram, Leave your country, your people and your father's household and go to the land I will show you. I will make you into a great nation and I will bless you; I will make your name great, and you will be a blessing. I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you”* (Gen.12:1-3).

*“...This is the gospel that you heard and that has been proclaimed to every creature under heaven, and of which I, Paul, have become a servant”* (Col.1:23).

According to the above Scripture verses God has revealed to me to carry His message of love through the prophetic and apostolic anointing to the nations for the blessing of the peoples of the earth and to prepare them for His Second Coming. For this purpose, nowadays He opens up nations. Knitting the hearts of people from various walks of life who are involved in church activities as church leaders, pastors, businessmen, social workers, doctors, teachers, youth leaders and politicians, He pours the prophetic anointing upon all peoples and prepares them for His Second Coming even without their knowledge. Particularly, He sends his prophetic anointing upon millions of people through the 32 Prayer Towers that function in India and abroad.

### *Jerusalem Prophetic Prayer Tower*

*“But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth”* (Acts 1:8).

After the Home Call of my father, the Holy Spirit spoke to me in September 2009 and said, “When I took you to the city of Jerusalem in May 2008, didn’t I tell you to establish a Prophetic Prayer Tower in Jerusalem in order to prepare the world for My Second Coming? I told you to specially prepare the nation of Israel and revealed all that would happen in Israel to my prophets (Amos 3:7) and for the prophets to prophesy all through the 24 hours in that Prayer Tower for

***Kindly pray placing your hands on the above pictures that God should establish Jerusalem Prayer Tower in this place.***

these prophecies to fulfil. Didn't I give you a guidance to establish it at Mount Zion in Jerusalem? Didn't I show you that place also? Why didn't you inherit that place?"

When I heard this I was deeply troubled in my heart and lamented, "Oh what a wonderful place it is! The upper room where the disciples received the Holy Spirit is very close to that building. Even the "House of David" is very near to that place. The Mount of Olives where Jesus is expected to land when He comes back is also situated just behind this building. Even the walls of the Temple built by Solomon are close to this place. But the owner of this building is expecting millions of dollars as a rent for the building. What shall I do? Where shall I go?"

It was then the Holy Spirit spoke to me again and said, "My son, it is not your responsibility either to collect the necessary funds or to establish the Prophetic Prayer Tower in that place. That is My responsibility. Why are you trying to do My job? My son, you have not done your job. You did not pray asking Me to give that place to you. Your job is to offer prayer. Why didn't you pray asking Me to give that place as well as establish my Prophetic Prayer Tower over there?" I was deeply shocked and felt very sad. I lamented, "Having lost faith I didn't even pray for this Prayer Tower to be established for so many months when they asked for such a huge amount." Immediately I knelt down and asked forgiveness from the Lord.

### ***To establish Jerusalem Prophetic Prayer Tower***

Following this, I sent pictures of that building to all the prayer warriors, showed it in our television programmes and also published it in our magazine requesting everyone to pray for God Himself to establish this Prayer Tower in that place situated in Mount Zion at Jerusalem according to His will so that the Jerusa-

lem Prayer Tower may prophesy for the nation and prepare the world for His Second Coming. As per my desire you too are praying every day placing your hands on those pictures. By doing so I feel that the heart of God is gladdened.

### ***In the Middle East countries***

As soon as I did the above, the Lord began to speak to me about various nations. Miraculously He gave me a revelation to start the TV programmes in the Rainbow TV in Arabic in the Middle East countries for the people to know the love of God. Now we have started these programmes. Then the Lord told me, "Henceforth I shall pour My Spirit upon all My children whom I have chosen in the Middle East countries (Zec.12:10). Then they would start prophesying, begin seeing visions and thereby those nations shall be prepared for My Second Coming." Our friends in Middle East countries have established an office there having received the approval of that government. I praise God for this great opening.

### ***Prophetic Prayer Tower in Fiji***

A few years ago a servant of God prophesied to me saying, "The Fiji Islands are awaiting the Lord." Accordingly a beloved brother in Fiji has come forward to give his place to establish a Prayer Tower to prophesy all through the 24 hours as well as to pray for the nation of Fiji. God willing we shall inaugurate this Prophetic Prayer Tower in Fiji during the month of March by making arrangements and paving way so that prayers can be offered 24 hour for the people of Fiji to be filled with the prophetic anointing in order to prophesy for their nation, the nearby Islands and for the fulfilment of the nation's decisions. This Prophetic Prayer Tower is also going to be established and administered by the people of Fiji themselves.

### ***Prophetic Prayer Tower in Canada***

Following this, God has also opened doors in Canada. There an anointed servant of God had received guidance from God to pray 24 hours for the nation of Canada, for the leaders of that nation to receive God's guidance in order to bring blessings upon the people of the nation.

### ***Canadian Universities***

At that time we visited Canada as a few Universi-

ties there wanted to sign MOUs with Karunya University. It was there we met that particular servant of God and God gave us an opportunity to share our visions. Both of us were filled with joy.

He has come forward to give us a spacious building of about 6000 sq.ft at the center of that city freely to us so that we can appoint prayer warriors who would pray all through the 24 hours for the nation of Canada. He has entrusted this great responsibility to us.

### *Canadian TV ministry*

God has also opened a door for us through another dear brother to telecast our TV programmes all through the 24 hours in Canada.

As a first step for conducting meetings and to select prayer warriors, we as a family went there during the month of December. This trip proved to be greatly beneficial. We are planning to establish the Prophetic Prayer Tower as well as conduct the Jesus Calls Prayer Festival in Canada within a few months. I solicit your fervent prayer for all these aspects to get fulfilled.

### *Worldwide Prayer Towers*

God has also given me a vision as to how Prophetic Prayer Towers should be established in every continent of this world.

### *Delhi Prayer Tower:*

Simultaneously, the Lord also showed me as to how the Delhi Prayer Tower should function. A prayer warrior from all the 25 Prayer Towers in India shall stay in the Delhi Prayer Tower for a month or two and pray there in the language of the state to which they belong and also prophesy all that God would do for their state. Then all that should happen or get fulfilled

in each state shall come to pass according to the will of God. The laws of the nation as well as the states shall be enacted according to the plan of God in a miraculous manner. Besides this, God Himself shall install leaders chosen by Him who will have a heart to execute His plans in each state as well as in the capital through prayers and prophecy.

### *Continents*

God has also asked me to establish Prophetic Prayer Towers with much prayer in every continent to pray as well as prophesy for the nations of that continent all the 24 hours. People from all the countries of that continent who speak various languages shall come there, prophesy and pray for their nations. I also believe that God shall give us people from that continent itself who would carry the message of God as well as the prophecies through television and other technological innovations all through the 24 hours for the people of all nations in that continent to be blessed.

*“And he swore by him who lives for ever and ever, who created the heavens and all that is in them, the earth and all that is in it, and the sea and all that is in it, and said, There will be no more delay!... Then I was told, You must prophesy again about many peoples, nations, languages and kings”*  
(Rev.10:6,11).

Then people from the Prophetic Prayer Tower of each continent who speak various languages shall come to the Prophetic Prayer Tower in Jerusalem and from there they shall prophesy for their nations in their own language. It would be just like how the Holy Spirit descended 2000 years ago in the upper room for the first time at Mount Zion in Jerusalem (Acts 2:4-11). When that happens the Lord Jesus shall come back. This is what the Lord has revealed to me. All of us have to work together for this purpose and pray together for God to fulfil this.

This is exactly what I saw in a revelation given to me by the Holy Spirit on the 14th March 2008. In that vision I saw a building which had a roof just like a tower and the prayer warriors were standing there looking straight at the throne of God and revealing what the Lord says about the nations through prophecies.

I earnestly request you to pray for all these visions to be fulfilled according to the plan of God.

## How will this be?

*I was really perturbed as to, "how this will be?" (Luke 1:34). Only then the Holy Spirit showed me Mary, the mother of Jesus.*

*Mary the mother of Jesus was engaged to Joseph and was eagerly awaiting her marriage. Perhaps she was looking forward to getting married to Joseph who was a righteous person and a skilled worker, in having a good family life with children. But an angel of God appeared to her and said, "Mary, the Lord needs your womb. You wanted to have your own child but give your womb to God so that you can give birth to God's child for the world not for you and your family." Mary replied, "How will it be? I do not know my husband." The angel told her, "The Holy Spirit shall come upon you." He shall take care of everything and He shall perfect everything (Ps.138:8).*

*Mary knew that if she would become pregnant before marriage, she would be branded as a prostitute and stoned to death. But without fearing anything she submitted herself totally to God saying, "Behold, I am the Lord's handmaid." To love God in this world is greater than everything else in this world. She submits unreservedly to the Holy Spirit with this thought, "I don't bother even if they stone me to death. Let me dedicate my womb for the Lord." Then the Holy Spirit spoke to her husband through an angel in order for Mary to give birth to the Son of God. Her husband Joseph also without denying her accepted the revelation given to her by the Lord according to the will of God. In the same way the Holy Spirit made an angel appear to Zechariah, one of the relatives of Mary.*

*The Holy Spirit also filled Elizabeth. He made a prophet to be born through her womb. So Elizabeth declared to all the relatives of Mary that the Son of God was in the womb of Mary so that no one dared to stone her. That is how Mary received grace in the eyes of her relatives, friends and others in that town.*

*The Lord also told me that He would speak to the hearts of the people and the partners who will extend all help to establish Prayer Towers in Jerusalem and other parts of the world (Acts 1:8; Prov.16:7) in order to usher in His Second Coming. They shall also help us to train prayer warriors as well as prophets who would prophesy for nations from these Prayer Towers.*

*After receiving the prophetic word from the angel of God, the life of Mary was not that easy. She who was fulltime pregnant had to leave Nazareth and go to Bethlehem traversing difficult terrains like mountains, rocks, desert etc. There was none to welcome her in Bethlehem. She had to give birth to Jesus, the Son of God in a manger, not even in a house. Yes, she brought forth this child, the Son of God into this world with much difficulty not for her but for the entire world (Luke 1:28-44).*

*Within a few days after the birth of the child she had to leave Bethlehem and run to Egypt according to the guidance of the Lord as there was danger for the life of baby Jesus. It was a long journey of a few weeks. They had to go through the desert as well as the mountains. But still she was very patient.*

*Then when Jesus left for His ministry they were searching for Him. But they could not live with Him (Matt.12:50). Finally she saw Jesus only at the Cross with great agony just like a sword piercing her heart. However it was in Jerusalem she was filled with the Holy Spirit. It was the time the Holy Spirit was revealed to this world.*

*This shall even happen to us who are associ-*

*ated with the Jesus Calls ministry. It is our responsibility to carry Jesus to the nations of the world with great sacrifice. After establishing the Prophetic Prayer Towers in every nation, the Lord shall help us to establish it in Jerusalem finally according to His plan. When we start prophesying for the world from that Prophetic Prayer Tower, the world shall be prepared for His Second Coming. Then He shall come again. How glorious it would be!*

*For this to happen it is essential for us to sacrifice all our comforts and the luxuries of our family. Today we too live in that condition. Even in our family sometimes it happens that all our family members are in different cities to minister to the Lord. But all of us have surrendered ourselves joyfully for that great task.*

*We have also surrendered ourselves totally to God to serve Him 20 hours in a day, fulfill His plans in 20 different ways, pray to wipe away the tears of the people who need our prayers, preach the gospel, spend time in personal prayer, in administration and in training the prophets. We, the Dhinakarans, have surrendered ourselves just like Mary.*

*“However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me the task of testifying to the gospel of God's grace” (Acts 20:24).*

*Our only desire is that, God willing, all of us should go to Jerusalem finally. When we establish the Prophetic Prayer Tower there, train the prayer warriors and prophesy for the world, it is our desire to see the Lord Jesus coming back and to go to heaven along with Him. Reaching heaven finally is more than enough for all of us. That would give us perfect joy.*

*Yes, the Lord Jesus is coming very soon. So in order to prepare the entire world for His Second Coming, kindly pray along with us for God to enable us to establish Prophetic Prayer Towers in every state of our nation, in every country and particularly to establish the Prophetic Prayer Tower in Jerusalem to usher in His Second Coming. Kindly pray that God should give us the place earmarked for this purpose in Jerusalem.*

### *Prayer Festivals:*

I praise God for enabling us to visit Canada as a family and conduct planning meetings to establish the Prophetic Prayer Tower there and return to India to conduct the Vellore Prayer Festival, Raipur Prayer Festival and Guntur Prayer Festival where we could pray for thousands of people. The Lord also enabled us to telecast those meetings live on TV as well as through live web cast so that millions of people could be blessed. He also graciously enabled all our three children to continue their studies here in Chennai as well as do His ministry mightily.

### *Karunya University:*

By the immense grace of God many famous universities from Canada, England and USA have signed MOUs with Karunya University in order to introduce new learning patterns and research activities. This would pave way for the exchange of students as well as faculty between Karunya University and these foreign universities.

Now we have started new research activities in Water Technology, Food Technology, Biotechnology and Health Care. Construction of research lab and other facilities is going on in a rapid pace at Karunya for Aerospace Engineering Technology, a newly introduced course. According to a survey conducted by the “Times of India”, Karunya stands at the 9th position among all the private universities in India. In an inspection conducted by the UGC, a central government body, Karunya has received an excellent report. The UGC has also passed an order for Karunya University to continue as an independent University. We praise God for this. We also praise God for the grace He has given to all those who are working in Karunya to achieve this. We also thank you very much for your prayer and support.

### *Seesha:*

The 20 bedded Karunya Rural Community Hospi-

tal shall now function under Seesha. We are planning to expand it as a 50 bedded hospital with facilities for surgery and other treatments in order to help the poor people. All the necessary equipments and other instruments for surgeries shall be installed in this hospital. According to the revelation given to me by the Lord, the Karunya University shall find ways and means to alleviate the problems faced by the society through research.

### *Exam Prayer Meet:*

*“The horse is made ready for the day of battle, but victory rests with the Lord”*  
(Prov.21:31).

### *The needs of the ministry*

#### *TV programmes:*

*We spend thousands of rupees to produce and telecast our TV programmes, totally 1768 programmes in a month in various languages and in various channels in India alone. Apart from these programmes, we are also telecasting our programmes all through the 24 hours in Rainbow TV and also through the web. Millions of people are prepared for the Second Coming of the Lord through these programmes.*

#### *Prayer Festival:*

*We spend lakhs of rupees to arrange just one prayer festival. However, lakhs of people participate in every meeting and they are also prepared for the Second Coming of the Lord.*

#### *Prayer Tower ministry:*

*Millions of people are touched through the 25 Prayer Towers in India and they too get ready for the Second Coming of the Lord. We need a huge amount every month to administer all these Prayer Towers, to pay the salaries of the staff who serve there, to establish new Prayer Towers and for the various other needs of the ministry.*

*Kindly pray that God should speak to the hearts of our beloved partners so that all these needs are met. You too do not forget to support the ministry.*

*When you pray and support us in the ministry, the Lord shall certainly supply all your needs according to His riches (Phil.4:19).*

Yours affectionately,

  
(Dr. Paul Dhinakaran)
