

FROM
THE DEPTH OF
My heart..

"BEHOLD,
I AM THE LORD,
THE GOD OF
ALL FLESH.
IS THERE
ANYTHING TOO
HARD FOR ME?"
(JEREMIAH 32:27)

Beloved brother / sister,

Loving Greetings!

My heart is filled with joy to meet you through this newsletter for the month of August. Sharing with you from the depth of my heart every month has always been a joyous experience for me. I would look forward for this opportunity to share with you the visions and plans given by God and to fulfill them with your powerful prayers and valuable offerings, and bringing to you the information about how many souls have been touched, saved, delivered and transformed through your prayers and support gives me immense joy and gladness. It gives me great rest in my soul to share with you this news so that you will convert them as prayer points and pray to God with deep passion and fervency. I know that you are praying with a deep burden that not one soul should be lost and also contributing your might towards this goal and therefore I am sure the Lord will bless you according to Deuteronomy 32:

13 which says,

"He made him ride in the heights of the earth, that he might eat the produce of the fields; He made him draw honey from the rock, and oil from the flinty rock."

(Deuteronomy 32:13)

Yes! God's Word will never fail. He will make you ride in the heights of the earth and will lift you up in the society; in your work place and bring you honour. Not only that, He will satisfy you in your family life and personal life and bless you abundantly.

Prayer Tower Ministry

"Then you will call upon Me and go and pray to Me, and I will listen to you." (Jeremiah 29:12)

Prayer Tower is a very important service in the Jesus Calls Ministries. The Jesus Calls Prayer Ministry began on 12th August, 1983. God gave this vision to my Late father Bro. D.G.S. Dhinakaran that through Prayer Tower, we should show the same compassion to people that our Lord Jesus Christ showed when He was walking on this earth. This is exactly what the Prayer Towers are doing across the world - to pray with love, concern and compassion. (Matthew 9:36; 14:14, Mark 6:34). Presently there are around 109 Prayer Towers functioning in several places all over the world. Every Prayer Tower is being run by anointed prayer intercessors whose hearts are filled with burden for souls. The Prayer Towers are functioning very well with the faithful and sin-

cere services of prayer intercessors who voluntarily give forth some of their precious time amidst their earthly commitments to receive training in the ministry to be effective prayer intercessors. Besides this we have also employed full time prayer intercessors and both of these people are doing a wonderful work in praying for the people. It is your cheerful, sacrificial and generous offering and fervent prayers that enables us to take these blessings to hundreds of thousands of people.

New Building for Prayer Towers

We are erecting a new building in the Jesus Calls Prayer Tower in the city of Bangalore. This building is being specially built to accommodate people who come with various problems and needs in life to share their prayer requests and get prayed. These heart-broken people need a quiet place to sit and meditate at the feet of the Lord. Arrangements are being made to establish a Prayer Tower at Secunderabad. We have started these works with your offering to the Jesus Calls Ministry. Please pray for these projects to get completed soon and for the Kingdom of God to be built-up through these Prayer Towers.

God is continuing to bless those who participate in the building of these Prayer Towers with their liberal offerings. God is building up the lives and families of those partners who would arise and build the house of God. I praise God for blessing them. Please continue to pray for the Prayer Tower building projects. Support those projects with your generous offerings. You can send – in your offerings through our website www.jesuscalls.org or else you can just call 1800 425 77 55 to get more details about the various ways you can sow in the fertile ground of the Jesus Calls

Ministry. You can call this number from 7 am to 9 pm.

You can also introduce the Jesus Calls Prayer Tower to your friends, relatives and neighbours. Explain to them that in the Prayer Tower their personal prayer requests will be prayed for and personal counseling will be offered and special Blessing Meetings will be conducted which they can attend and be blessed. Help them to receive blessings through receiving prayers from the Jesus Calls Ministries. Then they will surely receive miracles from the Lord and God will keep your help in His account and bless you abundantly (Hebrews 6:10).

Telephone Prayer Ministry

The Jesus Calls Telephone Prayer Towers are functioning efficiently by catering to the needs of people who are not able to visit the Prayer Towers in person. This service functions from 8 am to 8 pm.

The Telephone prayer intercessors are fully equipped and always prepared to pray for those who call with a broken – heart and induce hope into those hopeless souls. The Telephone Prayer Towers are offering services in 9 languages, Tamil, English, Malayalam, Telugu, Kannada, Marathi, Hindi, Punjabi and Gujarati. We are taking all efforts to make these prayer services available in various other languages. Please pray for this too.

Your Voluntary Service in the Prayer Tower

“Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.”

(1 Corinthians 15:58)

The chief reason for the Prayer

Tower services to have grown up to this extent and for it to function this efficiently is the self – sacrificial efforts of those who render their voluntary service to these Prayer Towers. Many are those who, despite their busy schedules in their earthy commitments manage to cull out some time like their weekly offs, their vacation, their leave days and their spare hours. They even come and serve in the night hours and what is more touching with these precious ones is that they render all these services without expecting any kind of compensation. The Lord who sees these acts of sacrifice is blessing their families in turn. Even you who are part of the Jesus Calls Ministry can participate and offer your voluntary services by contacting the Prayer Tower nearest to you and serve there at a time conducive to you. I lovingly invite you to come and offer your voluntary services. You are invited to contact the Prayer Tower administrators and get details regarding your voluntary services. I am sure that the Lord who sees your faithful service will reward you abundantly.

Bethesda Prayer City

The Holy Spirit showed me that in Karunya Nagar at Coimbatore we would have to establish a Bethesda Prayer City. It would house a 24 hours Prayer Tower to pray for the needs of the people who had sent their prayer requests from around the world & for all Ministries. It would have a 24 hours praising and thanksgiving centre and a 24 hours Telephone Prayer centre. Apart from the huge auditoriums to hold Prayer Services each day in different languages for anointing the sick with oil, there will be halls for people to have their own retreats as well as for the Bethesda team to conduct retreats for anyone or any group on request. There will be a Prayer hall for the Dhinakaran family to meet and pray individually for those who come for prayer; Prayer rooms for people to pray by themselves and other prayer rooms for the prayer intercessors to pray for people needing prayer in different languages. There will be a meditation Chapel for people to meditate and pray themselves. It will have a Hall of miracles for people to read and hear about the miracles people receive through the Jesus Calls Ministry. 3 days course on prayer will be offered by Prayer Academy in that campus. The Campus will have dormitories and rooms for people to boarding and lodging. Stations of

the all the miracles that the lord Jesus did while on earth, the resurrection, the ascension and Second Coming will be depicted as individual electronic shows .And much more!!

New Books!

We are doing the ministry of writing and publishing books so that people will get to know the secrets of the Bible and the special revelations from God. My mother Stella Dhinakaran's book "The Importance of Prayer in Family life" in Tamil is being a blessing to many people. Now she has written 'Part 2' of the same book. According to the revelations given by God to me, I am now writing a book titled, "Prophetical Prayers and Prophecy." We are making arrangements for the book to be published soon. You are welcome to sponsor the publication cost of this book. God will surely see your heart to take the truths of God to people and thus bless you abundantly.

Pray for Karunya!

The Graduation Ceremony of the Karunya University took place in a meticulous manner. It was a wonderful spectacle to see more than 1800 students receiving their degrees on that day. God is fulfilling the vision He gave regarding the Karunya University, in a wonderful way. He is expanding its frontiers in a marvelous way. We are about to establish the Centre for Business Management in Coimbatore and Centre for Arts, Science and Paramedical courses in Perriyanayakkanpalayam. Parents are joining their children in Karunya University with great enthusiasm especially in courses like Agriculture that was started newly and in other courses of study. Please pray for God to bless the studies of each student of the Karunya University, their personal

lives and make them as shining witnesses for His glory. Please pray especially for the Research Projects done in Karunya that these research projects may end up in bringing effective solutions to human problems and social problems and for the Research Centres to receive enough co-operation and support needed.

Efforts are underway to computerize the total office functions of the Jesus Calls Ministry. Pray for this effort to be completed in an efficient way. Also pray for the effective services of the National Prayer Tower in Delhi and the Israel Prayer Tower in Jerusalem. Also remember to pray for the World Prayer Convention to be conducted in Israel in May 2018.

God is waiting to fill with the desired blessings, those of you who are praying for our family; for the staff who are working with us and along with that sending your valuable offerings for God's ministry to be accomplished through us.

"Behold, I am the Lord, the God of all flesh. Is there anything too hard for Me?"

(Jeremiah 32:27)

According to this verse God will shatter all the blocks that were stopping you from progressing and succeeding in life. He will do this in this month in your life. I am constantly praying for you. Don't forget to inform us of the blessings and miracles you receive through the Jesus Calls Ministries, so that we too can join you and praise and worship God for His love, grace and power.
