

FROM THE DEPTH OF

My heart...

“...MY GOD
SHALL SUPPLY
ALL YOUR NEED
ACCORDING
TO HIS RICHES
IN GLORY BY
CHRIST JESUS”
(PHILIPPIANS 4:19).

Beloved in Christ,

I am extremely happy and joyful in writing this message during the second month of this New Year.

“... My God shall supply all your need according to his riches in glory by Christ Jesus” (Philippians 4:19).

As quoted in this verse, I assure you that our Almighty Lord shall fulfil all your need and you shall not suffer any paucity throughout the year. This February is going to witness the shower of divine provisions. The eyes of the Lord shall be upon you to bless and satisfy every need of yours (Deuteronomy 11:12). He shall walk with you; bless you and all your endeavours (2 Corinthians 6:16). This month, you shall reap whatever you have sown in the

Lord's ministry. The Lord shall grant you in good measure, pressed down, and shaken together, and running over (Luke 6:38). The Lord will make you abound in good health and prosperity and he shall neither lessen them nor let you lose them. He shall rejoice over you with gladness and exalt your name. (Zephaniah 3:17)

I am overjoyed to note that during the past years, you had supported the Jesus Calls Ministry with your generous offerings and prayers. Therefore, I feel encouraged to share with you the multifarious activities of our ministry and its needs. As we give thanks and praise the Lord for the magnificent works He has done through ministry, I exhort you to pray fervently so that the Lord shall supply the

exorbitant needs of Jesus Calls Ministry. I earnestly request that all those partners who support us through their offerings continue to support us through their prayers also. It is then the will of God shall be fulfilled through our ministry.

Treading on the footprints of the Apostle of Love

“He was faithful to Him who appointed him, just as Moses was faithful in all God's house” (Hebrews 3:2).

It was on 20th February 2008, that my father, Dr. D. G. S. Dhinakaran the man of God who is also a spiritual father and a beloved brother to many, entered into glory. It was in the same month in 1955, as a young man he shed off his instinct to commit suicide and

accepted Lord Jesus as his Saviour. Then onwards God had used him mightily as a blessing to millions of people. Lakhs of people understood the unfathomable love of God and took the righteous path in their renewed life; innumerable people were delivered from the malicious instinct to end their lives; many broken families got reconciled and restored; numerous evangelists responded to God's calling and commenced their ministry. We ought to praise the Lord as we commemorate my father's ministry unto the Lord. Indeed, the Lord Jesus Christ had graciously blessed him as he exalted Moses, the obedient servant of God. Therefore, with clean and unblemished hands, he reached the feet of God.

I express my deepest appreciation and gratefulness for all those who stood with us and sustained us throughout our ministry. Kindly continue to pray for its wide expansion and sustenance.

Digitization of the evangelical messages

"...that they may teach their children (and their progeny)"
(Deuteronomy 4:10).

The divine messages of my father and my family members existing in the form of audio and video recordings of yesteryears have been modified and upgraded using modern technology. These would be stocked in the library proposed to be established in the name of Dr.D.G.S Dhinakaran for the visitors to enjoy watching or listening here. It is also proposed to upload the materials in Jesus Calls Website to the benefit of the public. It is hoped that such digitized messages would pave way for the

present generation and their progeny to be well informed and spiritually be blessed. Kindly pray for all our efforts to be guarded and guided by the Almighty God.

We also collect the information and pictures related to the testimonies and God's miracles that happened during our public meetings from our Jesus Calls Journals and magazines and store them in Computers with an ardent faith that they would touch the souls those who wish to read them. A great effort has been taken to let not any soul to be lost into damnation. I request you again to have this as your most important prayer point. The digitized messages will be helpful for Research work and also as spiritual subjects for our Prayer Academy Students

Special Students' Meet

"... in whom are hidden all the treasures of wisdom and knowledge"

(Colossians 2:3).

Strenuous preparation for examinations is the present scenario in colleges and schools. In such a moment, the students as well as their parents are in need of God's blessings to face the exams with courage and good health. Hence we regularly convene special meetings to pray for them. On 8th of January we organized a Students' prayer meet to pray for the students in and around Coimbatore. Thousands of students participated and received the blessings of God. Likewise another special prayer meet for Chennai students is to be conducted on February 5th and I place my humble request to you all to pray for the meticulous arrangement and smooth conduct of this prayer

meet. It should draw thousands of students so that they may be blessed with divine wisdom. Kindly forward the name and examination schedule of your wards to Jesus calls Towers for the prayer intercessors to pray for you.

Send your prayer requests to the address Dr.Paul Dhinakaran, Prayer Tower, 16, D.G.S. Dhinakaran Road, Chennai- 600 028 either by post or mail it to paul@jesuscalls.org

According to the promise found in this verse "If you ask me anything in His name I will do it" (John 14:14), God will provide you with whatever you ask for through prayers; your children will excel in the examinations securing high marks.

Divine message to the multitude

We are getting ready to render God's message in the Students meet to be held on 5 February at Chennai, and the Prophetic Conference (8,9 & 10 February) and Festival of Blessing (10,11,& 12 February) to be held at Rajamundhry in Andhra. Pray that God uses us mightily and pours forth all His grace to equip us with well-instructed tongues to deliver the right words prompted by divine wisdom and intervention that they bear testimony to the miraculous signs and works (Isaiah 50:4, Mark 16: 20). We are going to organize the festival in an elaborate manner and direct telecast it through our internet portals to enable lakhs of viewers to be blessed. These may be possible only through your exemplary monetary support and con-

tributions. To make God's message and healing virtue reach thousands of people, kindly send your donations to the Prayer Tower nearby your place. Of late, God has been opening the doors for us to render our service abroad, even from places unimaginable. Pastors and well-wishers from China and Korea request us to visit their countries and convene our prayer meet. If it is God's will we shall do so during the later part of this year. Pray that all our efforts regarding this initiative are efficiently carried out.

'Jesus Calls' Young Partner Plan

"And Jabez called on the

God of Israel saying, "Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep me from evil, that I may not cause pain!" So God granted him what he requested" (I Chronicles 4:10).

In order to give opportunity for the young children to partake in God's ministry through their offerings and prayer and also to render special prayers for them, my father started this Young Partner Plan as per the instructions of God. Since 1985 those who were blessed through the young partners' plan encourage their children as well to get registered under this plan. Fervent prayers are being offered for the young partners so that they may have divine protection from evil, they may be filled with wisdom and also have a bright future. We glorify God through the testimonies from the Children who are the Young Partners in our ministry. I encourage your wards to become young partners as they would continue to experience God's presence in their lives through His blessings, wisdom and protection especially during this examination time. You can enrol them with Jesus Calls Ambassadors in your area. Not only the children who appear for the public examinations, but also the children who desire to be conducted in the righteous path as per the verse,

"I will instruct you and teach you in the way you should go; I will counsel you with my loving eye on you."

(Psalm 32:8)

With love and prayers from your brother
