

FROM THE DEPTH OF

# My heart...

**“He gives power to the weak,  
and to those who have  
no might He increases strength.”  
(Isaiah 40:29)**

*My dearly  
beloved in  
Christ,*

I feel great joy in my heart to write to you for July 2017 because this is an opportunity to share with you the visions and directions of the ministry that God gives me. I feel so comforted and strengthened in sharing the burdens of this ministry with you because it is you who is standing shoulder to shoulder with me in fulfilling the purposes of God. It is by your sacrificial and cheerful support and donations I am able to build the purposes of God. Further, such sharing also moves your heart to pray for these ministries. The Holy Spirit will use what I share with you to create in you a passion and fervor to pray for this ministry and also to support it with your valuable contributions. Let me quote you a word that comes in my spirit for you:

***“He gives power to the weak,  
and to those who have no  
might He increases  
strength.”*** (Isaiah 40:29)

Friend! According to God’s un-failing promise, He will give you power and strengthen you in this month. So don’t worry about your ‘weaknesses’. Don’t spend your precious time chatting to everyone about your ‘weaknesses’. Is your weakness ‘Physical’? Is your weakness ‘Spiritual’? Don’t get worried about anything, because

we do not have a God who cannot sympathize with our weaknesses (Hebrews 4:15) but intercedes for us. Also, we have the help of the Holy Spirit who intercedes on our behalf with mourning that can’t be uttered in words (Romans 8:26,27). Our God can transform any weakness into strength. So in this month do not keep talking about your weaknesses, rather keep talking about how the Lord Jesus Christ has given you victory over these weaknesses on the Cross. Speak only the solutions and answers that God has given; speak only Christ and His victory.

By the grace of God and by your sincere prayers we have been able to hold many meetings in the month of May 2017. On the 14th, 15th and 16th of May 2017, we were able to meet people at the Bethesda Prayer Centre and directly pray in person for the more than ten thousand people who had come from around 27 states of India. The love and thirst with which people came to Bethesda, in families, just to get one touch of God, moved our hearts and motivated us to serve God with much more fervour.

God, by His grace enabled us to conduct a 3-day – meeting for the Jesus Calls Office cum Karunya University Staff on the 26th, 27th and 28th May 2017. The meeting was conducted in the Karunya University campus. It was a wonderful time where I shared the visions that God had given me and the plans for the ministry with the staff and motivated them to do the ministry of God with much more passion and devotion. God also enabled me to pray for them.

In the first week of June 2017, God enabled us to meet and pray personally and individually for those who came to the Israel Prayer Tower during their trip to the Holy Land. Then the Lord enabled us to meet the partners of the ministry in Germany and to preach in the EMK church there. Then we took part and prayed in many Special Blessing Meetings in various towns in Tamilnadu. In all these meetings God enabled us to meet people and pray for them and comfort and strengthen them. Many were healed and family

problems were solved. Join me in glorifying God for the same.

## Save for Your Future Generations

*“That the generation to come might know them, the children who would be born, that they may arise and declare them to their children...” (Psalm 78:6)*

July 1st, is the birth date of my beloved Father and the apostle of love, your brother D.G.S. Dhinakaran. Join me in praising God for the mighty way in which he was used of God; for the millions of people who found salvation through his ministry, for the several ministries that were built through him and the several ministers that arose through him.

The compassionate and powerful messages that God gave through him, his prayers, counsel, advices and heart-touching songs are continuing to comfort, strengthen, save and heal the lives of many. We have undertaken the laborious but novel task of digitizing the classical messages delivered by Bro. D.G.S. Dhinakaran and those in our family. This is surely a huge task that incurs huge expenses. We have invested heavy amount of money into purchasing very expensive but high – end equipments, and hiring professionals who are qualified and talented in handling these hi-tech devices. We are using these resources to meticulously upgrade the old messages into digital formats in order to store them and make them available for the future generations – you children and their children. We are doing this project under the maxim ‘All God’s Messages for All People’. We are working on messages given from the year 1975 and the messages written in the magazine of those days, the photographs and videos of the powerful meetings that were conducted during those times so that the same power that touched and transformed the lives of millions of people during those times will continue to touch and transform our future generations. Thus far, we have digitized

42,000 out of the 67,000 video files and 9000 out of the 14,000 audio files and were are going on. Metadata have been prepared for around 10,000 messages. This massive endeavour needs to go on in this same speed for atleast the next two years.

These resources thus prepared and digitized could be used for the Jesus Calls Prayer Academy lessons, for research, for social media, for book publications, for magazine compilation, for TV Programmes production and for the D.G.S. Dhinakaran Memorial library. Through all these channels the messages of God could be taken to millions of souls and draw them to the love of our Lord Jesus Christ.

Please pray for this glorious ministry that will bring to the Lord the precious souls of our future generations. If the Lord prompts in your heart to support this ministry please visit the Prayer Tower nearest to you or the website [www.jesuscalls.org](http://www.jesuscalls.org). For more details to give donations, please feel free to call our Toll Free number 1800 425 7755 from 7am to 9 pm.

## Prayer Tower Services

*“...He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound;...to comfort all who mourn.” (Isaiah 61:1,2)*

Thousands of people pour into the Jesus Calls Prayer Towers all over the world. People whose hearts are broken by various problems, diseases and challenges in life; people who are left abandoned without any one to comfort or counsel them and people who are groping in darkness like blind people who can see no light anywhere in their lives. The anointed prayer intercessors in the Jesus Calls Prayer Towers receive these broken hearted people with love and care, comfort them, counsel them on the basis of the Word of God and pray for them at the feet of the Lord to turn their sorrow into joy. God hears the effective fer-

vent prayers of these anointed prayer intercessors and performs miracles and healing upon the lives of those who call or visit for prayers.

Thus, considering the growing need of the people and the fastly growing number of people who desperately come to Prayer Towers, seeking God’s grace and touch, we are now expanding the facilities of the Prayer Towers, in order to accommodate more seekers. We are endeavoring hard to build Prayer Towers in Karaikudi, Kancheepuram, Thiruvallur, Thiruvannamalai, Arakkonam (Tamil Nadu), Bokoro, Tumka (Jharkhand) Bhopal, Indore and Jabalpur (Madhya Pradesh). Please pray without fail for God to enable us to complete these projects.

You can also participate in the Jesus Calls Ministry and join us in taking the love of our Lord Jesus Christ to millions of people. We need faithful believers to act as Jesus Calls Ambassadors who would collect the sacrificial donations given by people in their respective areas and issue them a Jesus Calls receipt for the same. You can do this service as a free-time-voluntary-service alongside your regular jobs and professions. Some such ambassadors can join hands together and conduct Jesus Calls Blessing Meetings regularly on a monthly basis. When more and more people get blessed through these prayer meetings, it will pave way to conduct a Jesus Calls Prayer Festival in that area and consequently establish a Jesus Calls Prayer Tower there.

If you are led by God to participate in the ministry as an Ambassador please email at [amb@jesuscalls.org](mailto:amb@jesuscalls.org) or call our Toll Free at 1800 425 77 55.

## Forthcoming Meetings

As commanded by God we are taking the good news of salvation all over the world. We are doing our best to help people receive the touch of God. This is our prayers too. ### **Wonderful Plan for Loving Children**

*“And Jabez called on the God of Israel saying, ‘Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep me from evil, that I may not cause pain!’ So God granted him what he requested.”*

*(1 Chronicles 4:10)*

According to the command of the Lord Jesus Christ to my father Bro. D.G.S. Dhinakaran, the Jesus Calls - Young Partners' Plan was

started. The main aim of this plan is to offer an opportunity for the children, teens and youth to partake in the ministry of the Lord, like their parents do and thereby share the blessings that come from God for His children who sow into the kingdom of God. It is also to cover them under the constant protection of God by continuously offering prayers for them by anointed prayer intercessors praying round the clock for them. Thus they are being prayed for to succeed in their studies through wisdom; to be protected by divine protection and for a healthy, successful and bright future and to grow up as godly children inheriting godly blessings. Even we, as a family are praying daily for the blessing of the Young Partners. And God who is faithful to His promises is continuing to bless these Young Partners with His blessings, love and grace.

I encourage you too, to enroll your precious children in the Jesus Calls - Young Partners' Plan and pave way for them to uphold the ministry with their offering and receive the blessings of our Lord. God will see your faith and bless your children.

You can enroll your children in Young Partners' Plan in any Jesus Calls Prayer Tower in your area or through a Jesus Calls Ambassador or through the Jesus Calls website: [www.jesuscalls.org](http://www.jesuscalls.org). To get more details about this plan please send an email to [ypp@jesuscalls.org](mailto:ypp@jesuscalls.org) or call 1800 425 77 55.

### **The Vision of Karunya**

The Karunya University has been built for the purpose of offering children and the youth with excellent education so that their God – given talents will be brought out to the maximum so that they can use them to serve people efficiently and honestly and thus glow as shining witnesses for Gods' glory in the society, nation and the world. The Research Facility of the Karunya University is endeavouring to find solutions to the malignancies that are destroying the human society,

and to find ways to purify food and water to offer people the purest form of the same and also to develop one's God - given personality and ability. In appreciation of these efforts the Indian Government is also offering scholarships and helps to some courses. The Karunya University has signed many Faculties - Student exchange programmes with many reputed universities abroad. Please uphold Karunya University in your prayers. Besides courses in technology Karunya also offers courses in Arts and Science from U.G. courses upto research levels. So encourage your children, friend's children and relatives' children to join Karunya and receive excellent education in a spiritual atmosphere. You can get more details of admission and all other details from Karunya website [www.karunya.edu](http://www.karunya.edu)

God has given me a vision to start Karunya Christian Schools like the one inside Karunya campus, in many other places in India and allot a portion of seats to extend this excellent education to the orphans and poor and unfortunate who cannot receive such education in any other way. Please pray that God who gave the vision would Himself supply even the resources needed to actuate this huge project and vision.

Please continue to uphold the Jesus Calls ministry, the Karunya and Seesha. Do not forget to support this ministry with your offerings and your voluntary services. At the same time don't get your mind disturbed or worried about your personal life; your family life; your business and your weaknesses.

*“...My grace is sufficient for you, for My strength is made perfect in weakness.”*

*(2 Corinthians 12:9)*

According to this Word of God the grace of God shall guide you, strengthen you and lead you through this whole month of July.

*Your brother who prays for you,*
