

Year of EXCEEDING
Abundance

***"Now to him
who is able
to do immeasurably
more than all
we ask or imagine,
according to his
power that is at
work within us"***
(Ephesians 3:20)

FROM THE DEPTH OF

My heart...

Beloved in Christ,

It gives me great joy to meet you through this March Month issue of the Jesus Calls Magazine. It is my fervent prayers that the Lord who took care of you in all the past months like the apple of His eye will continue to care for you and protect you and your family from all the snares and deceptions of the devil. May He protect you in all your going out and coming in. May He bless you with His perfect blessings.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us"

(Ephesians 3:20)

This verse brings out the blessing nature of our God. It does not just say, "more than what we could imagine or ask for" it says immeasurably more than all we ask or imagine. The amplified version says "exceeding abundantly". That is the nature of our God. He is able to do exceeding abundantly above all that we ask or imagine. I like the way this verse is expressed in the Amplified version. "Now to Him who is able to do exceeding abundantly above all that we ask or think beyond our greatest hopes or dreams, according to His power that is at work within us," (Ephesians 3:20)

So my Friend! Be cheerful! You

have a God who is able to bless you exceeding abundantly. He will grant you beyond what you are praying for in this month. He will meet your needs beyond your expectations and prayers because He is a God who blesses double-portion and a hundred -fold. (Zachariah 9:12, Gen 26:12). Gold and silver belong to Him (Haggai 2:8). He spoke and it was done; He commanded and it stood fast (Psalm 33:9). There is nothing impossible with him. Therefore do not be disturbed at the situations that are challenging you.

During acute famine in Zarithath, the prophet Elijah was sent to meet a widow who was

dying of hunger. There were none to feed her during the peak of her hunger but God saw the hand full of dough and a little oil that she had and was moved by her needs. He sent his prophet and not only took care of her immediate need but also made arrangements for her and her family to live till rain came down (1 Kings 17:8-18). There could be famine in the nation but God cares for His children and sees to it that their needs are met and the work of their hands are blessed. He is the one that cares for you (1 Peter 5:7). So be confident my friend!

"To deliver their soul from death, And to keep them alive in famine." (Psalm 33:19)

The devil may bring different problems every month. He can bring negative changes in our situations, in our relationships. But God fills us with appropriate strength at the correct time to overcome the onslaughts of the evil one, because His grace is new every morning (Lamentations 3:22). We need not be troubled in our mind and heart about how we could overcome our problems and challenges. The grace of God will fill you with the strength and power to overcome your challenges and problems. The Jesus Calls Prayer Warriors and I are praying for you everyday. Please be cheerful since we have a God who can keep us alive in famine.

Be Blessed and be a Blessing

While we are blessed by Jesus, we also need to be a Blessing to others. In this context, as we are co-workers in the Ministry and that I consider you as my own brothers and I sisters, I thought of sharing with you the growth, expansions and also the needs of the ministry.

Prayer Academy

"After these things the Lord

appointed seventy others also and sent them two by two before His face into every city and place where He Himself was about to go." (Luke 10:1)

God is expanding the boundaries of the Jesus Calls Ministry day – by – day. The ministry is expanding its services into new districts, states and even nations around the world. Having the concern of Jesus in our hearts that it is not His will that even one soul should be lost, we are doing our best and everything possible in fulfilling God's will with total dedication, commitment and with all integrity, as a family together (Matthew 18:14). At the same time we also realize that our family alone cannot meet this great challenge. We alone cannot fulfill the great mission of preaching the gospel and healing the sick, comfort the broken hearted and express the compassion of God to the countless people in this world.

Therefore according to the clear guidance of the Lord, we started the Jesus Calls Prayer Academy. In the Prayer Academy we are offering practical training and teaching for those who have the thirst to know more of the scripture; who desire to learn the secrets of spiritual life; who have the thirst for souls and those who are interested in learning the ways and methods to conduct ministries. The sessions and classes in the Academy are designed towards this end.

These who complete their training in this Prayer Academy learn how to lead a soul towards Christ besides learning the foundations of the truths of scripture. These classes that began in Chennai city alone are being now expanded to various places in Tamil Nadu. On January 28th, 2017 we inaugurated Prayer Academy classes in the cities of Tiruchi, Madurai, Tirunelveli, Tuticorin and Nagercoil. The in-

auguration happened at the Madurai Jesus Calls Prayer Tower. These people who have already been trained in the Academy and completed their training successfully will conduct these classes. I request you to please pray for these ministries. I believe that these sessions of the Academy will carry the revival of the Lord throughout the country. You too are welcome to join these sessions in the area nearest to you and be blessed and be a blessing to others.

Praying for your Children

"For God gives wisdom and knowledge and joy to a man who is good in His sight; but to the sinner He gives the work of gathering and collecting, that he may give him who is good before God. This also is vanity and grasping for the wind."

(Ecclesiastes 2:26)

This is a very important month for those of our children who will be writing their public and board exams. Thousands of such students received blessings by participating in the Students Prayer Meetings we conducted in Bethesda (January 8) and Chennai (February 5). I continue to pray that special wisdom and Divine Health be given to students by God and also Godly peace to fill the minds and hearts of students and their family members during this season of exams.
